PRECONTRACT APPROVAL RECORD  
(PART TWO)

CONTRACT

The services and equipment being procured by this Contract No. \_\_\_\_\_  
~~CH-900 Task Order No. 4~~ are in furtherance of the ~~National Defense~~  
 Program(s), the nature of which cannot be publicly disclosed for security rea-  
 sons. The Contracting Officer therefore determines that this procurement must  
 be accomplished by negotiations pursuant to the authority of Section 3(a) of  
 PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on  
 15 October 1961.

Certification of funds for this contract will be handled under the pro-  
 cedure approved by the Director of Central Intelligence on 15 December 1956

The  
 amounts in this account will be periodically scheduled for certification of the  
 vouchers by the Director. This procedure eliminates the necessity for a sepa-  
 rate certification of authority under Section 8(b) of Public Law 110, 81st Con-  
 gress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the  
 terms and provisions generally of this contract/amendment, and a resume of  
 major issues negotiated:

Task Order No. 4 provides for a study of a photographic reconnaissance  
 system in connection with the \_\_\_\_\_ Program. The study covers a period  
 of approx. 3 months. The estimated price is \$64,430 inclusive of a 9%  
 fixed-fee factor.
